*Say No to Poo-llution;  
Scoop that Dog Poop!*

## Responsibilities towards animals based on KFN Animal Control Law

- Leaving behind your dog's poop on KFN public property is unpleasant and unhealthy for KFN's Maintenance personnel as well as all KFN Members and their young children.
- Dog Pooh is a major source of water pollution. Dog waste can contain harmful bacteria (e.g. Campylobacter, E.coli), parasites (e.g. Giardia, Roundworm), diseases, viruses and infections (e.g. Salmonella) and a host of others, which can penetrate soil – **making people or other wildlife very sick if exposed.**
- Every owner of a dog is **respectfully** reminded when walking your dog in KFN Public areas to pick up your dogs pooh and discard it accordingly.

*If you have any questions, need an email copy of the Animal Control Law and report any neglect within the law, please reach out to Amit Dogra, Land Steward, at [landsteward@katzie.ca](mailto:landsteward@katzie.ca).*

Good day,

At the outset of the COVID-19 pandemic, Service Canada established several ways for people in remote communities to continue to get support without leaving their homes. One such service is the **Outreach Support Centre**.

The **Outreach Support Centre** allows your community members to connect quickly with someone from Service Canada. By calling **1-877-631-2657**, your members can get assistance with Old Age Security, Canada Pension Plan, Employment Insurance, information on passports and assistance with applying online for a Social Insurance Number (SIN). We can help complete some applications for your community members over the phone. We also have access to a translation services, so your members can be assisted in the language of their choice.

The current service standard for the Outreach Support Centre is for all calls to be answered within 5 minutes or less. Our staff are encouraged to take as long as they need to ensure that our clients' concerns and needs are met as best they can.

Please let people in your community know about the toll free number, it is an excellent tool to access our services. A Service Canada employee, who will be able to assist callers almost as if we were right in your community, will answer calls. The service is available from 8:00 am to 4:00 pm local time, Monday to Friday.

Enclosed in this package, you will find posters and business cards (one side English, the other French) that we encourage you to distribute as you see fit.

Thank-you for helping to get the word out!

## Service Canada – Ready to Help
