Wharf Construction Update: Final Steps in Progress

We're excited to update you on the ongoing construction of the wharf. While progress is being made, the floating docks have not yet passed their final inspection. It's essential that this inspection is completed successfully to ensure the safety of everyone using the wharf.

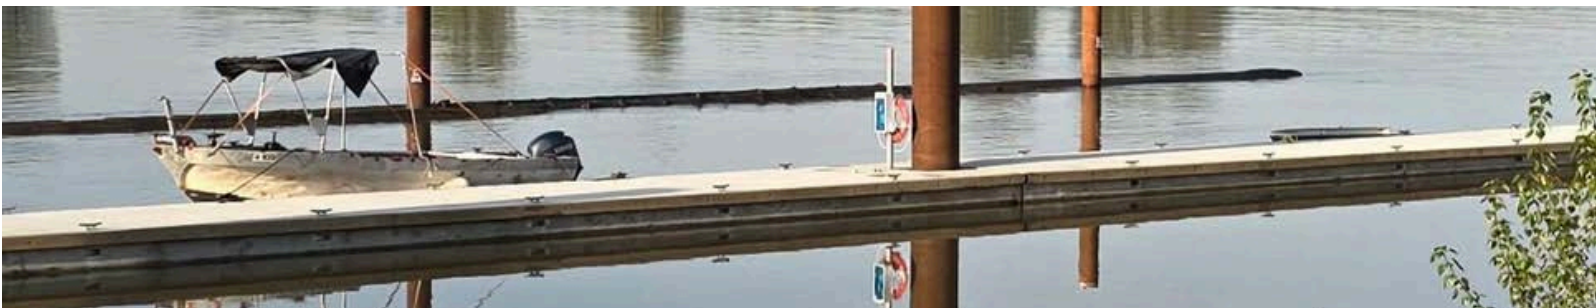

We're almost there! We know it's taking a bit longer than expected, and we truly appreciate your patience. The safety and readiness of the wharf are our top priority, and we want to ensure everything is fully prepared before opening.

An official announcement will be made once the wharf is ready for use. Until this time the wharf remains **CLOSED**.

In the meantime, if you are aware of any boat owners with vessels currently docked, please reach out to them to remove their boats until further notice.

Thank you for your cooperation and continued support!

If you have any questions or concerns, please contact us at wharfproject@katzie.ca.
