EQUIPMENT REMOVAL

Please be advised that the outdoor workout equipment located near the Gymnasium at the Health and Community Centre will be removed due to safety concerns. Unfortunately, there have been several injuries and near-misses reported. While this equipment was intended for fitness use, it has often been mistaken for a playground, especially by children, which poses a significant safety risk.

We plan to reinstall the equipment at a more suitable location in the future. We appreciate your understanding as we prioritize the well-being and safety of all community members. Thank you for your cooperation.

For work out alternatives, we do have fitness classes Sunday's and Tuesdays in the Gymnasium, please see the Wellness Canoe Newsletter for more details.
