# SAFETY WARNING:

## Children playing along the Wharf

We've recently received reports of children playing on the wharf, often unsupervised. While we understand the wharf can be a place of curiosity and fun, it also poses serious safety risks, especially for young ones.

### Potential Dangers Include:

- Slippery surfaces and risk of falling into the water.
- Sharp objects or unstable structures.
- Lack of immediate help in case of emergency.

### Parents & Guardians:

Please take a moment to speak with your children about the dangers of playing on or near the wharf. Their safety is our shared responsibility.

Let's work together to keep our community safe.

## Banished Persons Reminder

### Important Information on Banishment Orders

Banished individuals do not have access to KFN Lands, (including CP-held property), KFN Pier & Wharf, KFN Facilities, KFN Programs & Services.

Refuse Banished persons from visiting and residing at your home and property: A banished person is not afforded the right to reside on KFN community lands, reside in KFN homes including homes located on Certificate of Possession held lands.

#### Ways to Assist:

Please report banished persons sited on KFN Lands, facilities, or the Wharf/Pier first to the RCMP and then provide the file number received from the RCMP and report to the KFN Land Steward.

#### Banish Persons may apply to the Chief & Council for:

1. An application for Temporary Banishment Lift to attend a funeral service.
2. An application to Rescind a Banishment Order (with probationary conditions).

Request for application forms may be sent to [landsmanager@katzie.ca](mailto:landsmanager@katzie.ca)  
[landsteward@Katzie.ca](mailto:landsteward@Katzie.ca)

*“Working together with collective efforts to provide a secure safe Community”*

Should you have any questions, free to contact the Land Steward at the Lands department by phone or email at 604-465-8921 Ext. 418 or through email at [landsteward@katzie.ca](mailto:landsteward@katzie.ca).

## ***Katzie Road Congestion Pose Safety Risks & Access Delays for Emergency Response***

**Please remove your vehicles, boats, boat trailers, and large items parked along each of the Katzie IR 1 Roads effective immediately.**

**All vehicles listed above must be moved “effective immediately” to avoid further action.**

### **Why?**

- Emergency Responders must be able to access homes, buildings and properties quickly and safely.
- Blocked roads can delay life-saving assistance
- Congestion create safety risks for children and all residents

### **How to Help?**

- Park your vehicles, boats, boat trailers and large objects in your yard
- Collective cooperation by parking your boats, boat trailers and large objects in your own yard enable all Katzie’s roads to be made safe and accessible for all Katzie members.

*If you have any questions, feel free to contact the Katzie Land Steward via phone at 604-465-8921 Ext. 418 or through email at [landsteward@katzie.ca](mailto:landsteward@katzie.ca).*

## Upcoming Work at cx<sup>w</sup>ít (Hammond Mill)

Hammond Mill closed in 2017, and Conwest Development purchased the mill from Interfor to build industrial warehouses. The mill is part of cx<sup>w</sup>ít (Katzie Village), and within the mill property is the resting place of our Ancestors.

Katzie continues to work with Conwest, Province of BC, Vancouver Fraser Port Authority and Maple Ridge to develop a plan for the mill site, that respects Katzie responsibility to protect our Ancestors, and build respect, honor and understanding for cx<sup>w</sup>ít and Katzie people, past, present, and future. We are making good progress on this and are working towards an outcome where Katzie will be able to protect our Ancestors and receive direct benefits from the future development of the site.

Conwest has asked to work with Katzie on early development work placing piles of pre-load fill material at five locations within the property (locations shown on next page). This work will involve the removal of asphalt, foundations, and pilings within the five sites, and the placement of clean fill piles. The piles will be 30m x 30m square, which is about 5.3m high. The purpose is to see if further measures, aside from preloading the land, are needed to meet engineering requirements to hold future buildings.

Our Guardians will monitor this work and ensure our Ancestors and their sacred belongings are cared for in keeping with our laws, protocols, and hereditary responsibilities. We will host ceremonial work before ground disturbances begins, and Guardians will be monitoring the work to ensure that Ancestral belongings and our Ancestors are protected and cared for appropriately if disturbed during the work.

There will be a public notification for this work from Conwest to Port Hammond Residents, a sign posted at the site, and newspaper notifications in October. We wanted to take this opportunity to ensure that Katzie people are aware of this work before public notices are issued. Following the public notification period this fall, we will work with Conwest on the timing of the work.

No other work is being considered at this time, though as we move forward in our discussions, further work will take place, with continued oversight and support from Katzie. If you have any questions or concerns, please contact Roma Leon at [Roma@katzie.ca](mailto:Roma@katzie.ca) or 778 227 2751.

# KATZIE FIRST NATION POST SECONDARY PROGRAM

Sept 22, 2025

## IMPORTANT INFORMATION

**Subject: Welcome to a New School Year – Important Post-Secondary Reminders**

Dear Post-Secondary Students,

Welcome to a new school year! As you begin your studies, I'd like to remind you of a few important responsibilities to help ensure your Post-Secondary allowance is processed smoothly:

- Monthly Declarations must be submitted on or before the 15th of each month. Late submissions will result in delays to your allowance, so please make this a priority.
- If there are any changes to your academic schedule—such as dropping a course or adjusting your enrollment—please report these changes to me, Donna Leon, immediately.

Your timely communication and submissions are essential for keeping everything on track. Please do your best to have your documents in on time for review.

If you have any questions or need support, I'm here to help.  
Wishing you all a successful and rewarding school year!

Sincerely,  
Donna Leon
