Flood Resiliency Survey Engagement Session IR 1&3

HOST COMMUNITY	Engagement Session	LOCATION
IR 3 - Barnston Island	Monday, October 20, 2025, 5:30 - 7:30 pm	Tetoten Centre, Dyke Road, Surrey
IR 1 - Pitt Meadows	Monday, November 3, 2025, 5:30 - 7:30 pm	KFN Gymnasium, 19700A Salish Road, Pitt Meadows

As flooding and wildfire continue to challenge First Nations communities, Katzie's path forward for emergency response and recovery planning during and after a flooding event must be inspired and informed by the Katzie Elder's knowledge and wisdom.

The Katzie First Nation Flood Resiliency Survey is a tool intended to assist the Katzie First Nation Emergency Response Coordinator in the development of a Katzie First Nation informed Resiliency & Recovery. The Resiliency & Recovery Plan will incorporate ways to not only safeguard Katzie lands and the Katzie people, but equally important the plan will establish and incorporate methods to respect, honor, support, and protect Katzie's culture and traditions.

These engagement sessions are made possible through funding support from the Canadian Red Cross.

We look forward to seeing you there!

SAFETY WARNING:

Children playing along the Wharf

We've recently received reports of children playing on the wharf, often unsupervised. While we understand the wharf can be a place of curiosity and fun, it also poses serious safety risks, especially for young ones.

Potential Dangers Include:

- Slippery surfaces and risk of falling into the water.
- Sharp objects or unstable structures.
- Lack of immediate help in case of emergency.

Parents & Guardians:

Please take a moment to speak with your children about the dangers of playing on or near the wharf. Their safety is our shared responsibility.

Let's work together to keep our community safe.

Upcoming Work at cx^wít (Hammond Mill)

Hammond Mill closed in 2017, and Conwest Development purchased the mill from Interfor to build industrial warehouses. The mill is part of cx^wít (Katzie Village), and within the mill property is the resting place of our Ancestors.

Katzie continues to work with Conwest, Province of BC, Vancouver Fraser Port Authority and Maple Ridge to develop a plan for the mill site, that respects Katzie responsibility to protect our Ancestors, and build respect, honor and understanding for cx^wít and Katzie people, past, present, and future. We are making good progress on this and are working towards an outcome where Katzie will be able to protect our Ancestors and receive direct benefits from the future development of the site.

Conwest has asked to work with Katzie on early development work placing piles of pre-load fill material at five locations within the property (locations shown on next page). This work will involve the removal of asphalt, foundations, and pilings within the five sites, and the placement of clean fill piles. The piles will be 30m x 30m square, which is about 5.3m high. The purpose is to see if further measures, aside from preloading the land, are needed to meet engineering requirements to hold future buildings.

Our Guardians will monitor this work and ensure our Ancestors and their sacred belongings are cared for in keeping with our laws, protocols, and hereditary responsibilities. We will host ceremonial work before ground disturbances begins, and Guardians will be monitoring the work to ensure that Ancestral belongings and our Ancestors are protected and cared for appropriately if disturbed during the work.

There will be a public notification for this work from Conwest to Port Hammond Residents, a sign posted at the site, and newspaper notifications in October. We wanted to take this opportunity to ensure that Katzie people are aware of this work before public notices are issued. Following the public notification period this fall, we will work with Conwest on the timing of the work.

No other work is being considered at this time, though as we move forward in our discussions, further work will take place, with continued oversight and support from Katzie. If you have any questions or concerns, please contact Roma Leon at Roma@katzie.ca or 778 227 2751.

IMPORTANT INFORMATION

Subject: Welcome to a New School Year – Important Post-Secondary Reminders

Dear Post-Secondary Students,

Welcome to a new school year! As you begin your studies, I'd like to remind you of a few important responsibilities to help ensure your Post-Secondary allowance is processed smoothly:

- **Monthly Declarations must be submitted on or before the 15th of each month. Late submissions will result in delays to your allowance, so please make this a priority.**
- **If there are any changes to your academic schedule—such as dropping a course or adjusting your enrollment—please report these changes to me, Donna Leon, immediately.**

Your timely communication and submissions are essential for keeping everything on track. Please do your best to have your documents in on time for review.

If you have any questions or need support, I'm here to help. Wishing you all a successful and rewarding school year!

**Sincerely,
Donna Leon
