Wellness Canoe

EMPOWERING OUR COMMUNITY, ONE PADDLE AT A TIME.

WELCOME TO OUR

Wellness Newsletter

Stay Safe, Keep Our Community Safe!

If you're feeling unwell, please refrain from entering our Health and Community Centre unless you have an appointment with our Nurse or Doctor.

To protect our vulnerable members, staff, and outside community guests, including nurses, clinicians, and facilitators, we kindly ask that you wear a mask if you are experiencing cold, flu, or any other illness symptoms. Thank you for your cooperation and understanding!

In this newsletter you will find:

Latest health information, educational health workshops, clinics, health programming and more. Keep Reading!

Reminder: The Importance of keeping your scheduled appointment.

your relationship with your Health Care professional is an important part of your treatment and overall wellness. Attending your scheduled sessions helps build the foundation needed for the meaningful, and sometimes challenging, work involved in your care.

Consistency supports progress.

If you need to cancel an appointment, please notify us as soon as possible by calling 604-465-8921. Early notice allows us to offer your appointment time to someone else who may be willing for care.

We also ask for your support respecting our practitioners' schedules and the time they dedicate to serving the community. If missed appointments continue without notice, we will need to have a conversation about next steps, as the service is still billed even a client does not attend.

Thank you for your understanding and cooperation. Your commitment helps us provide the best care possible.

The Health Team

RSV Respiratory Syncytial Virus:

What is RSV?

Respiratory syncytial virus (RSV) is a contagious respiratory virus that usually causes mild, cold-like symptoms. RSV occurs worldwide and is most active in Canada during the fall and winter months.

Incubation & Transmission

Contagious Period:

Most people are contagious for 3 to 8 days, but infants and people with weakened immune systems may continue spreading the virus for 4 weeks or longer.

Transmission:

RSV spreads through respiratory droplets from coughing or sneezing, and by touching contaminated surfaces or objects and then touching the face.

Peak Symptoms:

Symptoms often worsen around days 3 to 5 of illness and usually begin with cold-like symptoms such as congestion, fever, and coughing.

Incubation Period:

Symptoms typically appear 2 to 8 days after exposure. In some cases, especially in infants or those with weakened immune systems, the incubation period may be longer.

What are the symptoms?

Common symptoms include:

- coughing
- runny nose
- sneezing
- wheezing
- fever
- crackling with breathing
- decrease appetite and energy

In Infants

RSV can cause serious illness. Infants may show:

- fussiness or irritability
- difficulty breathing
- nasal congestion
- decreased energy and appetite

They may not show coughing or a runny nose

Sever cases may lead to:

- bronchiolitis (small airway inflammation)
- pneumonia (lung infection)

Seek Emergency Care Immediately if your Child has:

- trouble breathing or pauses in breathing
- blue or grey skin tone (especially lips or nailbeds)
- signs of dehydration (fewer wet diapers, not drinking/feeding)

CALL 911 OR GO TO THE NEAREST EMERGENCY DEPARTMENT

Who is at risk?

Anyone can catch RSV, but severe infections is more common in

- infants younger than 6 months
- adults 65 years and older
- people who are immunocompromised

RSV vaccination is Strongly recommended for:

- adults 75+
- adults 60+ in nursing homes or chronic care facilities

Adults aged 50-74 should discuss timing and benefits with their healthcare provider.

NURSE PRACTITIONER

Nicole Ong

Hey there!

To book an appointment with Nicole

Call Jennifer at the Health and Community Centre, and she can let you know available date and times to book your appointment!
604-465-8921 ext 422

About Nicole

I am a newly graduated nurse practitioner (NP) from the University of Northern BC's Family NP program.

I am a 4th generation Singaporean-Chinese who moved to the Lower Mainland almost 20 years ago. Prior to becoming an NP, I was a chemotherapy nurse at the BC Cancer Agency, and a rheumatology nurse at a Vancouver clinic.

Presently, I live on the unceded, traditional lands of the Kwikwetlem, Tsleil-Waututh, Musqueam, Squamish, Katzie, Kwantlen, Qayqayt, and Sto:lo Peoples in the city of Port Moody, with my 8-month-old Cavapoo puppy. In my free time, I enjoy walking my dog, taking him on hikes, playing pickleball, and occasionally sparing for a local curling team.

I believe that building trusting relationships with my clients is the cornerstone of safe and competent primary care. I am deeply committed to patient education, upholding informed consent, and promoting my patient's agency and autonomy in their health decisions. I look forward to meeting my new clients in the Kwikwetlem and Katzie Nations and supporting their care!

HOW TO BOOK WITH EMILY

Call Sonise at the Health and Community Centre, and she can let you know available date and times to book your appointment! 604-465-8921 ext 101

ABOUT EMILY

I've been working as an Indigenous Liaison nurse since 2021 and I've been employed as a psychiatric nurse since 2011 and have a lot of experience working in both acute hospital and community settings with clients from all different back grounds struggling with mental health and addictions.

In 2016 I obtained a Master's of Counselling Psychology which has been an asset to my role supporting client's in a culturally safe and respectful manner.

I've had the pleasure to support individuals on Katzie since 2021 with medication management, as well as connecting them to community services such as: psychiatrist, GP's, counsellors, addictions services, FRIS, housing and more. I look forward to partnering with Katzie on a regular consistent basis for those who require mental health support.

Foot Care Services

Available for Elders, Diabetics, and Vulnerable Members

If you have trouble reaching your feet and need foot care services, we are here to help!

To book an appointment or for more information, please call the Health & Community Centre.

Take care of your feet, your health depends on it!

The importance of making your appointments and keeping them

The relationship between you and your Health Care professional is crucial for the success of your treatment and overall wellness. Making and Keeping appointments reflects your respect for others and shows that you value their time. Consistently attending scheduled sessions lay the groundwork for the essential, and sometimes challenging, work involved in your treatment.

If you need to cancel an appointment, please inform us as soon as possible by calling 604-465-8921. This allows us to offer your time slot to another person in need.

We must be considerate of our practitioners' schedules and their time in the community. If missed appointments become a regular issue, we will need to discuss the situation further, as we incur costs for the service even if you do not attend.
