NOTICE OF PROPOSED REVENUE LAWS

Katzie Chief and Council this week proposed the enactment of the Katzie First Nation Property Assessment Law, 2023 and the Katzie First Nation Property Taxation Law, 2023.

As per the last General Band Meeting report, these laws will allow collection of property and development taxes on properties and businesses that reside on Katzie land from third parties. KFN members will be exempt from paying these taxes.

In keeping with the requirements of section 6 of the First Nations Fiscal Management Act, information on these laws – including how to provide comments – has been publicly posted at <https://www.katzie.ca/governance/laws-bylaws-management-plans/>.

The Katzie 2022-2027 Strategic Plan

Community Update

The Katzie First Nation has successfully completed its 2022-2027 Strategic Plan, which was approved by Chief and Council on November 17, 2022.

The plan establishes the guiding vision for our community, the goals we have identified to move us towards achieving our vision, and the objectives we need to fulfill to support these goals. A strategic plan is similar to a road map. Its purpose is to help us to get to where we want to go. For Katzie, the Strategic Plan is meant to direct the actions of staff and leadership and inform work plans undertaken by departments. It sets out the path to our destination – our vision for the future.

The objectives and goals of the 2022-2027 Strategic Plan build on the previous 2014-2019 Strategic Plan. The 2022-2027 Strategic Plan was developed with input from Council, community members, and staff. The process affirmed our collective vision, mission, and values. It also established 13 priority goals and objectives for achieving those goals. Finally, it contains feedback from community members and staff as well as Council's implementation goals.

The completed plan can be accessed on Katzie's Website (<https://www.katzie.ca/>) and on Let's Talk Katzie (<https://letstalkkatzie.ca/>). Physical copies of the plan can also be printed for community members upon request at the Katzie Band Office.

We would like to thank all of the Katzie community members and staff who provided their input, time, and knowledge into the development of the 2022-2027 Strategic Plan. We are certain that this document will actively improve the Nation's ability to engage in proper long-term planning and will support future Councils and staff in their efforts to make our community thrive.

Survey Funding Available

We have limited funding available for land surveys, if you are a Member living on reserve . These funds can be used to subdivide property or survey new boundaries.

Please note that you need approval under the KFN Subdivision Development Servicing Law (2019) to subdivide a property or create new lots. This process was designed to ensure that

1. No neighbouring property gets taken in by mistake
2. Ensure that access to roads and other services is taken into consideration
3. The survey is registered properly so that it is legal and can be transferred, leased, willed, etc.

If you'd like to apply for the survey funding or have any questions about getting a survey completed, please reach out to Ian Cowan, Director of Lands and Civil Services at ian@katzie.ca or 604 465 8921 ext. 411.

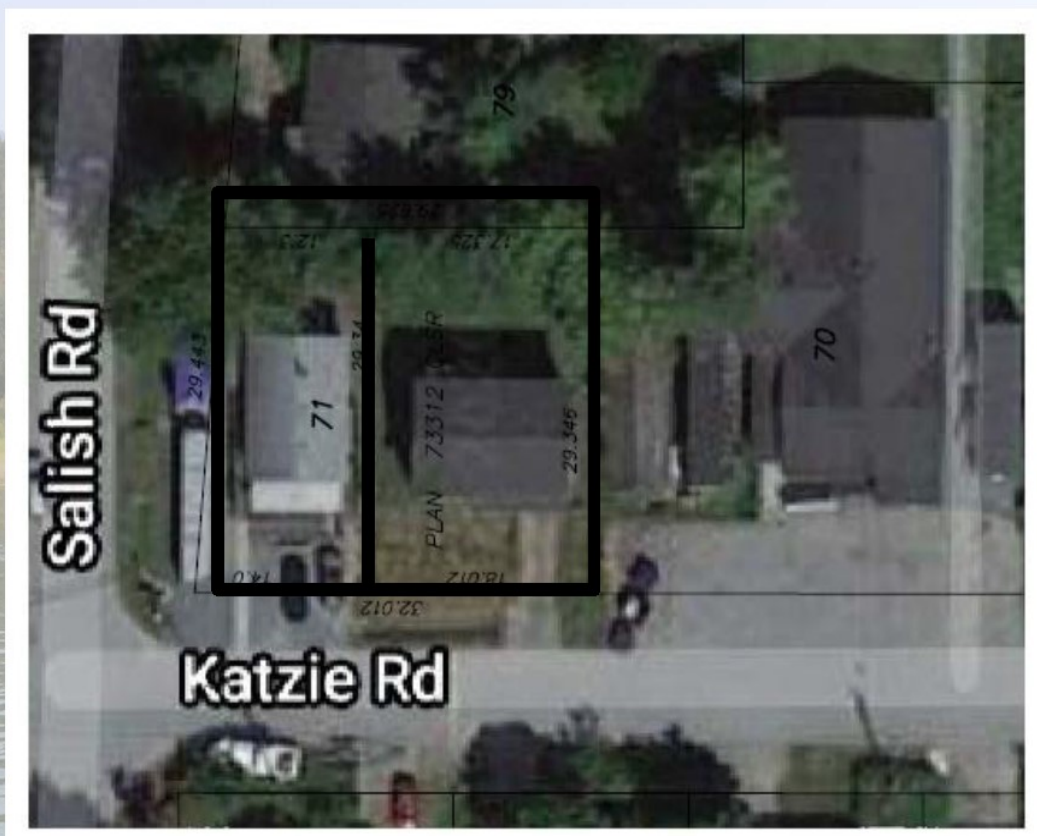

Notice of Application to Subdivide

The property owner of Lot 71 is proposing to subdivide the lot to make way for a single-family home, sometime in the future.

As part of the application process under the KFN Subdivision Development Servicing Law, we are giving the public until January 27th, 2023, to provide feedback.

If you'd like to make a comment or review a more detailed sketch of the proposed subdivision, please contact Director of Lands and Civil Services.
