### **RENTAL ARREARS**

For any tenants who currently have Rental Arrears, please be advised that KFN Housing Dept. Staff and Managers will be reviewing all tenant files in the coming weeks and will be reaching out to anyone who currently does not have a current re-payment agreement in place.

Please be aware that your arrears debt contributes to the following problems for every current and future Band Member in the Social Housing Program:

- Reduction to important Maintenance and Repair's to all rental units due to reduced budgets,
- Prevents repairs from being done in a timely manner,
- Unfairness to waitlisted KFN Member housing applicants who are willing to pay rent on time and eager to obtain a rental or rent-to-own home on KFN and more...

Please note that we have a zero tolerance policy in place for late rental payments. If rent is not paid by the 1st of each month, eviction proceedings will commence as per the Eviction clause within our KFN Rental Agreement.

If you have any questions or would like to schedule a meeting to discuss a payment plan please contact, Rosanna Leon, Housing, Public Works and Infrastructure Manager

### Dishwasher

- Dishwashers work by spraying water out of their spinning arms onto the dishes inside.
- When those arms aren't spinning properly or the holes in them are full of buildup, your dishes won't be getting thoroughly cleaned.

- Check to make sure that the arms spin correctly and clean out any debris that has accumulated inside the holes with a small piece of wire, a toothpick, or small pliers.
- At the very bottom of your dishwasher is the drain, and this area can be a common place where food debris, buildup, and other matter can end up.
- Leaving these obstacles near the drain will eventually create a clog.
  When your dishwasher drain is clogged, it will become less efficient and have a harder time cleaning. Use an Acid to Remove Buildup by using white vinegar or lemon juice.
- Clean the Filter. If your dishwasher has a filter, remove it and clean off any food or grime. It should come off easily for rinsing.
