Mike Leon - Guardian

My name is Mike Leon, and I am a Katzie Band Member. I have spent the past 30 or more years working in Katzie Territory at some kind of capacity or another. A great deal of my experience working for Katzie has been in archeology and environmental, and I have been honored in interviewing some of our Elders of the past and present for Traditional Use Studies.

On my free time I explore Katzie territory while on adventures with my Grandchildren and partner. I am grateful to be a part of this amazing opportunity for Katzie to be initiating a Territorial Guardianship program and I look forward to seeing the positive changes this program will bring to the protection and preservation of our lands, waters and air for future generations.

Lakshmi Aravind

Warm Greetings,

I'm Lakshmi Aravind, an enthusiastic and dedicated Executive Assistant supporting the Chief Administrative Office, the Chief, and the Council. In my new role, I am excited to support Katzie First Nation in their mission. With a strong sense of organization and an ability to solve problems, I am committed to helping and upholding Katzie First Nation values and mission. I appreciate everyone's patience and support while I settle in. Thank you and I am grateful for this opportunity.

My passion is meditation, and I train people in meditation. I also enjoy painting and traveling with my family outside of work.

Looking forward to connecting with all of you in the near future!

KATZIE AFFORDABLE HOUSING PROJECT IS SET TO BEGIN!

Chief and Council are pleased and excited to announce that construction is scheduled to commence soon on our new Katzie Affordable Housing Project on IR#1.

As you may recall from previous communications shared at General Band meetings, this is an important new project that will bring significant benefits to our membership.

It will include construction of three new housing complex's:

- Building 1: Youth program to house 10 at risk youth with 24/7 support, Elder's Lounge and Administration office spaces.
- Building 2: 3 story residential building including 16 self- contained suites with 24/7 support and,
- Building 3: 3 story residential building, including 14 self-contained suites for individuals and families.

Housing Project construction site address locations:

- 19676, 19679 and 19696 Salish Rd. Pitt Meadows.
- Construction is scheduled to begin on **Tuesday, October 4th, 2023**, including installation of underground municipal services.

The contractor for this project is **Mierau Contractors Ltd.**, who we are working closely with to ensure that any impacts to members are kept to a minimum. A map of the construction area is attached which also identifies the construction schedule.

We, kindly ask the following of community members during construction:

- To refrain from driving and walking on Salish Rd. near construction sites and to use alternate routes for safety reasons.

Only members who reside in the direct area will be able to access Salish Rd. during construction to get to and from their homes.
