KATZIE AFFORDABLE HOUSING PROJECT IS SET TO BEGIN!

Chief and Council are pleased and excited to announce that construction is scheduled to commence soon on our new Katzie Affordable Housing Project on IR#1.

As you may recall from previous communications shared at General Band meetings, this is an important new project that will bring significant benefits to our membership.

It will include construction of three new housing complex's:

- <u>Building 1</u>: Youth program to house 10 at risk youth with 24/7 support, Elder's Lounge and Administration office spaces.
- <u>Building 2</u>: 3 story residential building including 16 self- contained suites with 24/7 support and,
- <u>Building 3</u>: 3 story residential building, including 14 self-contained suites for individuals and families.

Housing Project construction site address locations:

- 19676, 19679 and 19696 Salish Rd. Pitt Meadows.
- Construction is scheduled to begin on <u>Tuesday, October 4th, 2023</u>, including installation of underground municipal services.

The contractor for this project is **Mierau Contractors Ltd.**, who we are working closely with to ensure that any impacts to members are kept to a minimum. A map of the construction area is attached which also identifies the construction schedule.

We, kindly ask the following of community members during construction:

• To refrain from driving and walking on Salish Rd. near construction sites and to use alternate routes for safety reasons.

Only members who reside in the direct area will be able to access Salish Rd. during construction to get to and from their homes.

We apologize for any inconvenience this may cause anyone during this time.

If you have any questions or concerns about the project or construction, members can contact:

Vern Mierau, Site Superintendent Mierau Contractors Ltd. 604-309-2957 or,
