Meeting Link will be provided closer to the GBM

Notice of Water Disruption

Katzie IR#1 on July 23, 2024

The Water pressure will be low as the City of Pitt Meadows works on the Water Meter Chamber on Salish Road

Traffic will be diverted from the beginning of Salish Rd, but Wharf Rd and River Rd will remain accessible. Bonson Rd will be accessible from River Rd. Salish Rd will be closed at the entrance for the day while the work is being completed.

The closure will begin at approximately 7:30 am and last for about 8 hours. During this time, water will be diverted from a hydrant to our system, resulting in lower water pressure.

Residents are asked to avoid doing laundry, taking baths, or showering for the duration of the water meter replacement on that specific day.

Be a good Neighbour and Clean up after your dog/s

Attention: All Dog Owners

We have received numerous complaints about dog feces in yards. It is unfair to the home owner and to the maintenance crew that have to clean up after your dog/s.

Please be responsible for your dogs: keep them in your yard, have your pet on a leash when walking, and clean up after them. Do not let your dog run loose in the community!

Parasites and bacteria from dog feces can remain in the soil for years. By not picking up after your dog, you're putting other people's pets at risk of exposure to harmful bacteria. Children who play outside and gardeners are especially at risk for contamination. This is harmful bacteria also affects water quality.

Thank you for your cooperation in keeping our community clean and safe.
