Land Code & Law Feedback

FEEDBACK FROM MEMBER ENGAGEMENT

What is the Katzie Land Code, and how does it benefit Katzie First Nation?

Approved in 2017, the Katzie Land Code replaces 44 sections of the Indian Act. The Katzie Land Code enables KFN to resume authority to govern their lands and create laws. Since 2017, Katzie has developed and implemented Katzie Laws to mitigate negative impacts due to past poor management of Katzie Lands under the *Indian Act*.

Why are we encouraging discussion about the Land Code?

Katzie's Chief and Council hope to share information and seek member input regarding the purpose of the Katzie Land Code and Laws to encourage meaningful discussion on what members believe is working well and what is not and to discuss possible solutions.

The final Land Code and Laws engagement session will be held at the KFN Health Center Gym, on January 28th from 5pm-8pm, and will be open to members from all of IR1, IR2, IR3, and off-reserve members. We want to share back what we have heard from you, and check to see if we have gotten it right.

SESSION INCLUDES DINNER & REFRESHMENTS!
