# IMPORTANT NOTICE

Dear Parents,

We want to inform you that a case of head lice has been reported in your child's after school program. Head lice can affect anyone and are typically spread through direct head-to-head contact, as well as by sharing hats, brushes, and other personal items. It's important to note that head lice are common in many communities and do not reflect poor hygiene or social status.

To help prevent further spread, please check your child(ren) for head lice daily over the next few weeks and regularly thereafter. Early detection makes treatment much easier. If you find any signs of head lice, please inform your child's childcare center or summer camp, as well as the parents of your child's friends. This cooperative effort helps protect everyone in our community.

Thank you for your attention and cooperation.

Note: Lice treatment is available at the Front Desk of the Health and Community Centre. as well as the Katzie Pharmacy.

## CPKC Rail Logistics Park Vancouver Project

### Proposed Rail Yard Expansion on Katzie Slough at Pitt River

Katzie's Territorial Guardianship and Referrals Department is working on a cumulative effects assessment of CPKC's proposed Logistics Park Vancouver (LPV) Project.

#### About the Logistics Park Vancouver Project

The LPV Project is a proposed expansion to the existing rail yard, south of Katzie Slough where it meets the Pitt River. The expanded yard will be a road to rail facility that stores electric cars, agricultural products like grains etc., and fuels, and transfers these goods from rail to truck.

#### Why are we doing a Cumulative Effects Assessment?

Katzie has been engaged with CPKC about the Project since 2019. Katzie raised concerns that the Project's impact assessment process did not adequately address impacts, including cumulative effects, on Katzie's rights.

In 2023, the Canadian Transportation Agency ordered CPKC to assess cumulative effects on Katzie rights in the past, present and future. Katzie has taken on the important responsibility of leading the cumulative effects assessment.

The assessment looks at the Pitt Polder's sloughs and wetland area and how it has changed over time, from pre-european contact to present day.

#### Cumulative Effects Assessment Process

The Cumulative Effects Assessment will evaluate how the LPV Project may contribute to past and ongoing cumulative impacts on the ability of Katzie to meaningfully exercise rights within the Pitt Polder sloughs and wetland area.

#### Harvesting

#### Governance and Stewardship

#### Cultural Practices

#### Access and Movement

The assessment will focus on harvesting, cultural practices, access and movement and governance and guardianship rights within the pitt-polder, how this has changed over time, and how to support the revitalization of these rights and responsibilities into the future.

# Katzie Territorial Guardianship & Referrals Department Newsletter

## Cumulative Effects Assessment Process (continued)

We are gathering Katzie information on the Pitt-Polder area from past reports and Katzie work undertaken in the area. We are taking a two-eye seeing approach and also gathering knowledge on western science and settlement throughout the pitt-polder.

## Collobrative Committes for the LPV Project

Katzie has entered into a collobrative committee agreement with the Canada Transportation Agency and a communication protocol and relationship committee agreement with CPKC.

Through these agreements we hope to work with decision makers and CPKC to protect and where necessary accommodate for impacts on Katzie's rights resulting from this project, as guided by the findings of our cumulative effects assessment.

## Next Steps

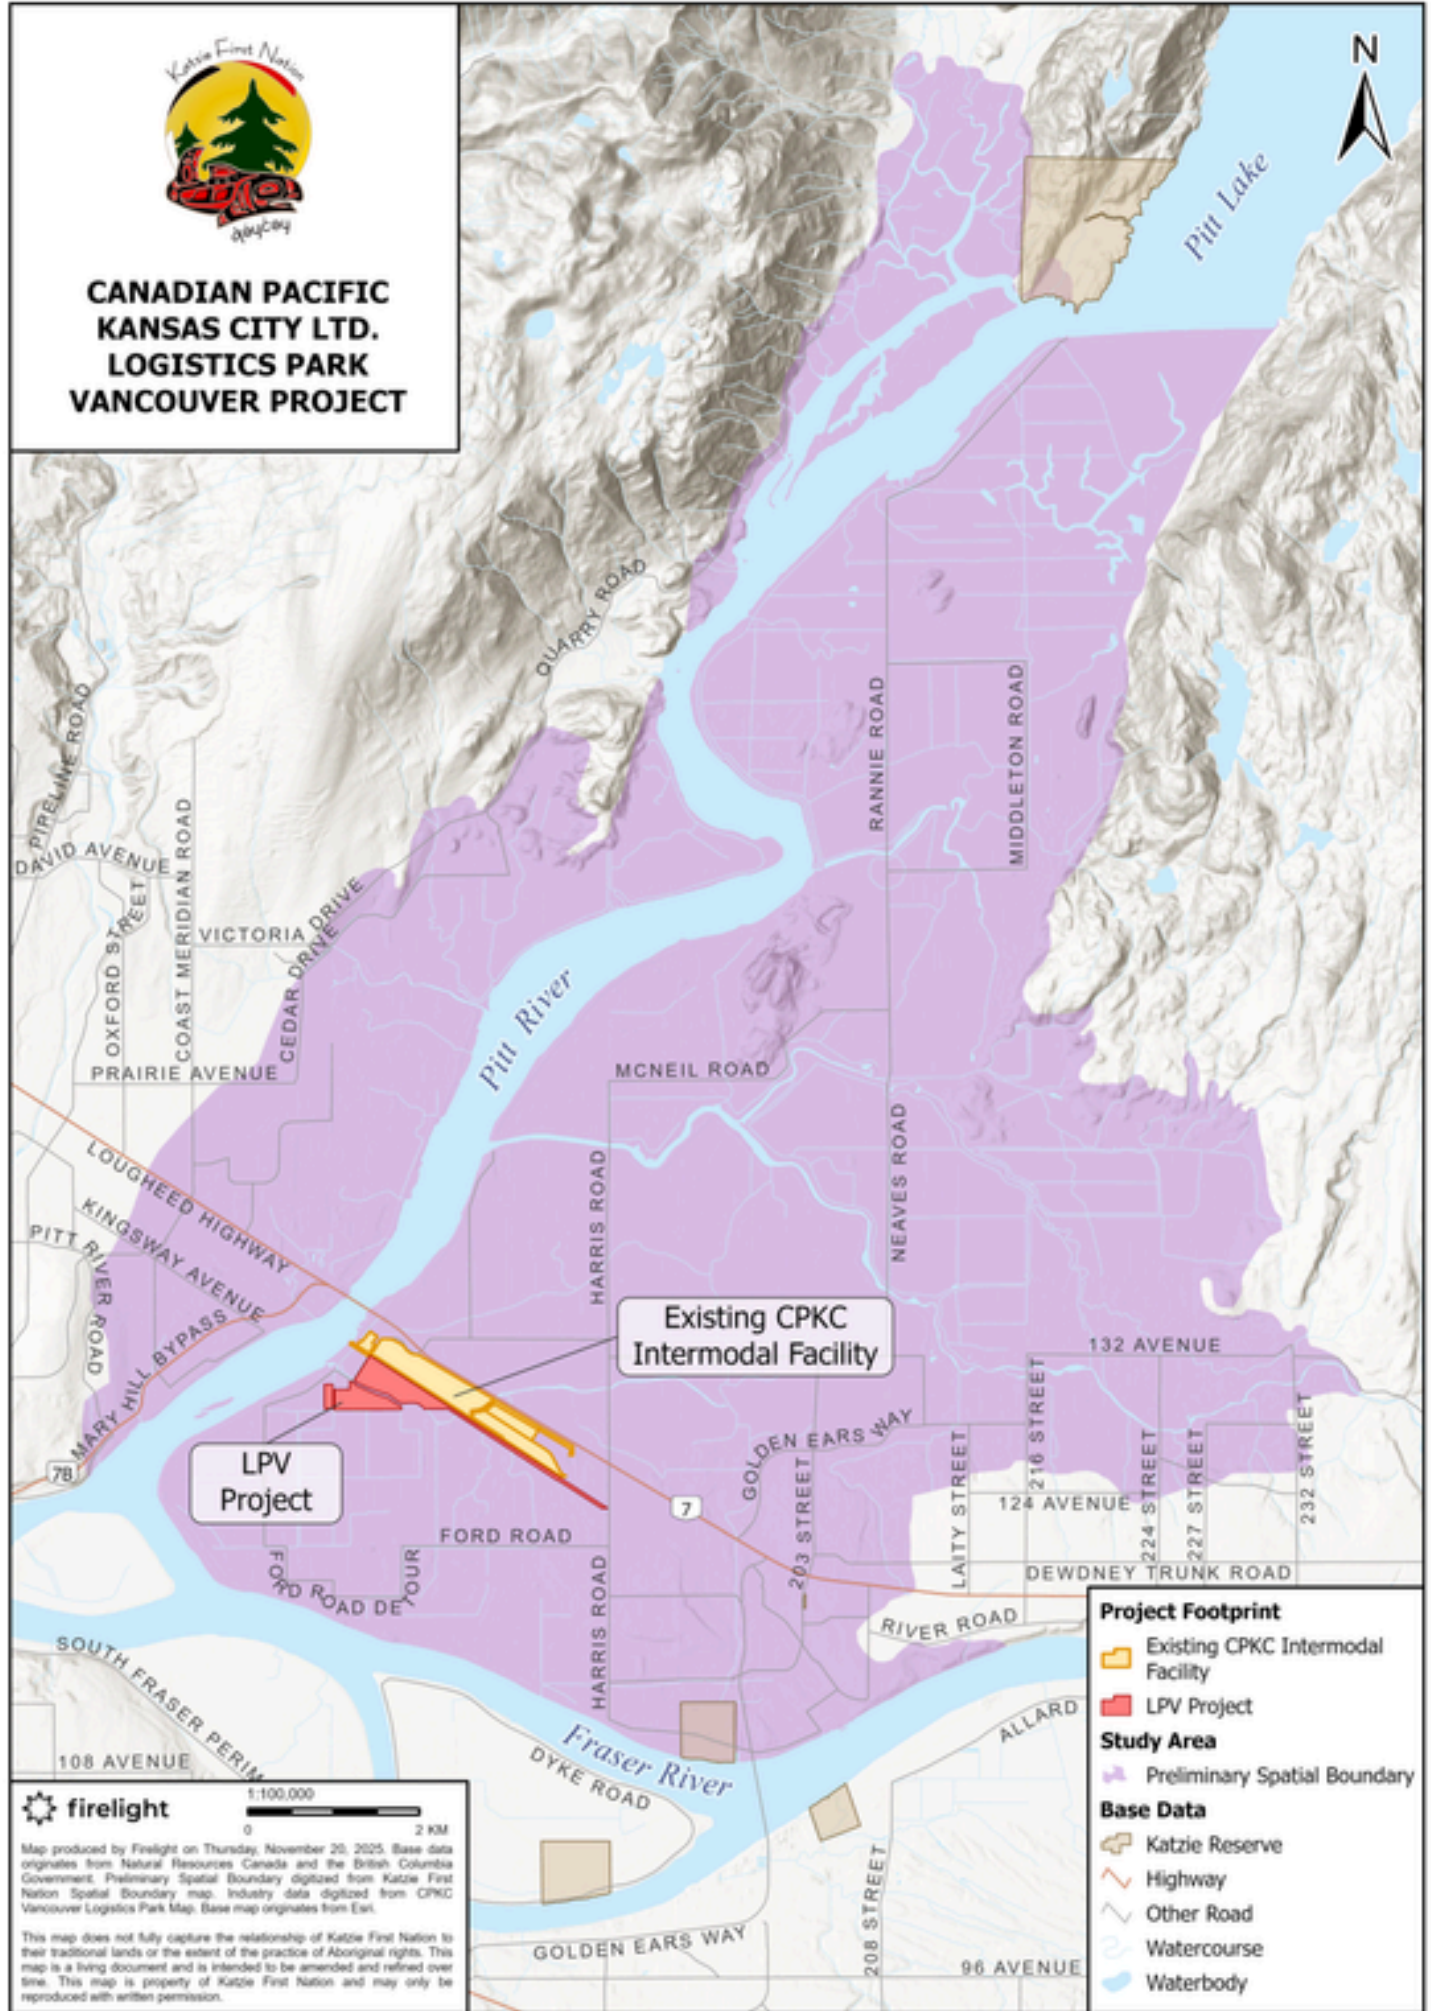

We are mapping out the information we have, and identifying information gaps we need to fill. We will be working to address these gaps near the end of February, and will work with Katzie people and contracted professionals to do this.

In spring of 2026 we will share the draft findings of our assessment with community, including recommendations to avoid or address impacts on Katzie's rights from the LPV Project.

If anyone has stories or information to share on the Pitt Polder area, past, present, or future vision to support this and other work we are doing in this area we welcome this, please reach out anytime to Kim Armour ([kimberly@katzie.ca](mailto:kimberly@katzie.ca) 604 849 0676) or Roma Leon ([Roma@katzie.ca](mailto:Roma@katzie.ca) 778 227 2751)

### **RE: Finance and Audit Committee Call Out Letter**

Having enacted its Financial Administration Law under the authority of the *Fiscal Management Act*, Katzie First Nation is looking for experienced community members and non-members to join its Finance and Audit Committee. The Finance and Audit Committee is a team of people that Council appoints to give them financial advice. The committee provides forward-thinking oversight of financial administration matters of the Nation and supports Council in making good financial decisions for the long term.

The Finance and Audit Committee shall be comprised of two community members and one Council member.

The appointment would be for a 3-year term, and the committee member would be expected to commit to preparing for and attending a minimum of 4 committee meetings per year and on-line meeting can be arranged and agreed. Minutes of meeting should be prepared, produced & distributed after each meeting. Members must be independent of the Nation (not involved in day-to-day operations or day-to-day financial decisions), must declare any conflict of interest according to policy and are not currently sitting on other committees.

To be eligible to sit on the Finance and Audit Committee, you should have financial competency (skill and knowledge to make sound financial decisions), be in good financial standing with the Nation, must not have been removed from a board, committee, or other body for breach of confidentiality within the last five years and know how to demonstrate fairness and integrity.

#### **Preferred qualifications:**

- Formal accounting and/or business education, or relevant experience
- Ability to read and understand financial statements, plus a minimum of 7 years of business experience or an equivalent combination of education and experience

#### **Experience in one or more of the following areas would be an asset.**

- Risk Management
- Business Analytics/Management Information Systems
- Organizational Sustainability
- First Nations Administration
- Economic Development

#### **The role of the Finance and Committee:**

- Review and recommend certain items to Council but Council is responsible for making decision.
- Items for recommendation include draft annual budgets, multi-year financial planning, the financial performance of Katzie First Nation, as well as quarterly and annual financial statements.

Katzie First Nation Chief and Council invite interested qualified applicants to submit a letter of interest and resume to the Administrative Assistant by email [executiveassistant@katzie.ca](mailto:executiveassistant@katzie.ca) for the application letter and resume by **January 30, 2026**
