To protect our vulnerable members, staff, and outside community guests, including nurses, clinicians, and facilitators, we kindly ask that you wear a mask if you are experiencing cold, flu, or any other illness symptoms.

Thank you for your cooperation and understanding!

In this newsletter you will find:

Latest health information, educational health workshops, clinics, health programming and more. Keep Reading!

FUNDING AVAILABLE FOR YOUTH SPORTS & SUMMER ACTIVITIES

Chief George has received many requests for support with youth sports and summer activities, and has secured funding assistance for eligible families.

At KFN, we recognize the important role that sports, recreation, and cultural activities play in the healthy development of our children and youth. Participation in these activities supports physical health, mental wellness, self-esteem, teamwork, leadership skills, and a strong sense of belonging. We also understand that the costs associated with registration, equipment, travel to cultural events, and programs can create challenges for families.

We do not want financial barriers to prevent our children and youth from accessing these valuable opportunities. KFN is committed to supporting families who are encouraging healthy, active lifestyles for their children.

Take care of your feet, your health depends on it!

The importance of making your appointments and keeping them

The relationship between you and your Health Care professional is crucial for the success of your treatment and overall wellness. Making and Keeping appointments reflects your respect for others and shows that you value their time. Consistently attending scheduled sessions lay the groundwork for the essential, and sometimes challenging, work involved in your treatment.

If you need to cancel an appointment, please inform us as soon as possible by calling 604-465-8921. This allows us to offer your time slot to another person in need.

We must be considerate of our practitioners' schedules and their time in the community. If missed appointments become a regular issue, we will need to discuss the situation further, as we incur costs for the service even if you do not attend.
